Voluntaryism

Term coined by Auberon Herbert

Voluntaryist principal beliefs stem from the idea of natural rights, equality, non-coercion, and non-aggression

Life stance: Voluntaryism

Liberstad is established on
Voluntaryism

Members of Liberstad have founded
an official life stance in Norway: **Den
norske frivillistforening (DNFF)**

LIBERSTAD

World Voluntaryist Organisation

Wrote and published **The Voluntaryist Covenant**

Goal to get many individuals and communities to sign the covenant to spread awareness and recognition.

Free Cities Foundation

Our mission is to support innovation in governance that leads to greater human freedom and prosperity.

We aim to inspire, inform and connect people to accelerate the creation of a global market of living together in Free Cities.

STAD

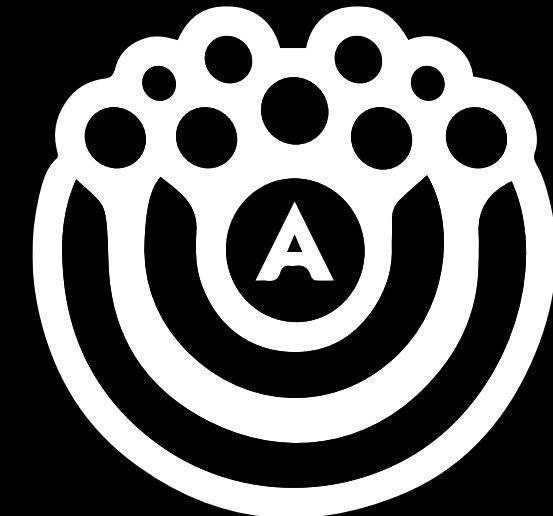

ARITON

Rediscovery the Web

Empowering you to create, share, and publish data. Collaborate, discover, and enjoy.

Built on free and open standards, Ariton empowers you with control and ownership over your own identities and data.

<https://ariton.app>

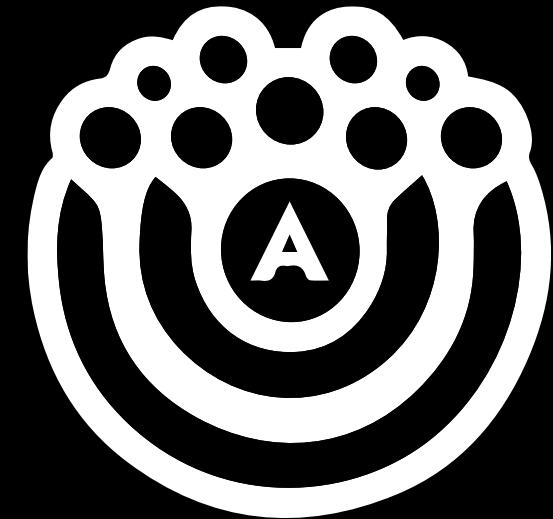

LIBERSTAD

ARITON

Rediscovery the Web

Decentralized identities, wallet, payment,
social network, cards (access, identity, tickets,
payment), property registry, DRO and more...

<https://ariton.app>

LIBERSTAD

Living in Liberstad

«Keep building»

Liberstad have been in development for 6 years without any external investments

Avoiding various legal issues and pressure to export dividends
(``drain the economy''), circular economy

Everything has been re-invested into the development

CC shares

Businesses operating in Liberstad can opt-in to register in the Free City Registry

<https://www.liberstad.cc/>

CC entities can issue shares on any platform or form they want; digital, analog paper, blockchain

More companies:

- Granbaren Bar & Stage CC
- Liberty Ales CC
- Liberstad Lumber Company
- Greenfield Food Productions CC
- Liberstad Kiosk CC
- Liberstad Power Company CC
- Liberstad Rental Service CC
- Zempli CC
- Freedom Space CC
- +++

Thanks!
